

## STEP BY STEP GUIDE

### HOW TO BUY YELLOW GOLD COMPANY COINS (YGC)

**STEP 1.** On the main site you can click „BUY COINS” on main page beam

or above:

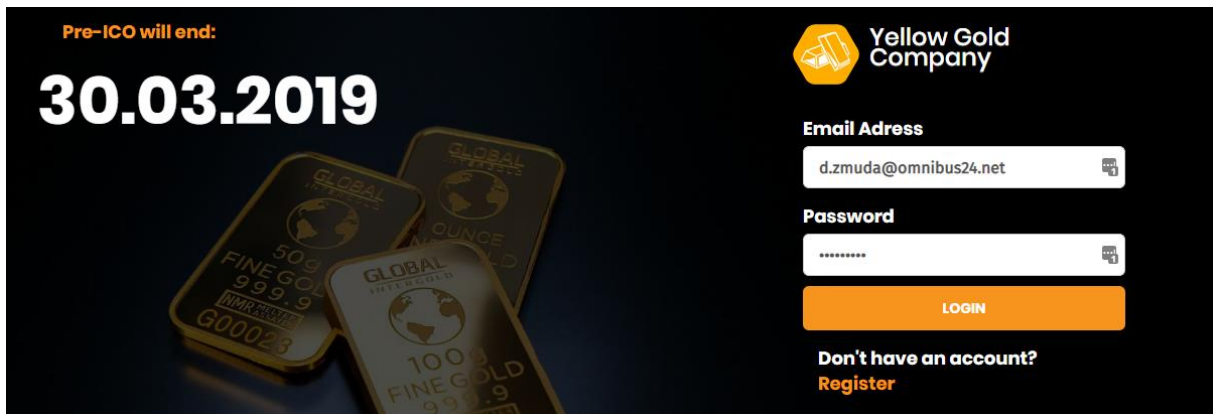

## Yellow Gold Coin brings real gold to the blockchain era

*One of the largest gold mining company in the world.*

The company Yellow Gold Company Ltd. with its registered office in Accra deals with exploration, acquisition of concessions as well as exploration of metal and precious stones in the form of gold and diamonds. The extracted materials are refined and prepared for sale. Our main goal is gold, but we will strive to diversify into other investments such as renewable energy sources in the form of solar panels, urban transport (Ursus electric buses), as well as participation in the construction of the new Mas Airport.
